

Assistive Technology and Emerging Smartphone Technology

- Learn about current assistive technology available to help you with the phones, conversations, and the TV
- Learn about emerging technology utilizing Smartphones for on-the-go assistance
- Find out where you can obtain more information and buy assistive technology

Bring & share your own personal assistive technology for this interactive session

Meetings are open to the community and supported by
Hearing Loop System and **CART**

HLAA, Santa Barbara is the local chapter of the Hearing Loss Association of America whose mission is to open the world of communication through education, advocacy and support.

We hosts monthly education and support meetings on the second Saturday of the month at 10 am at Wood Glen Hall in Santa Barbara (except July & August). For more information or support between meetings, contact 805-563-1097, info@hlaa-sbc.org, or www.hlaa-sbc.org.

* Directions to Wood Glen Hall

- From the 101, take the Mission Street exit and drive east toward the mountains.
- Travel four blocks, and turn left onto State Street.
- Drive about $\frac{3}{4}$ of a mile to the first light at Alamar Avenue.
- Turn right and drive about $\frac{1}{2}$ mile to Foothill Road. Go through the traffic light, Wood Glen is the first building on the right.

Please use street parking, unless you are disabled. When using the parking lot, park on the right side or in the disabled parking spot.
